# Hrorek, King, and Caoilfhionn, Queen, Outlands

Noble and generous Outlands! The season of giving was upon us, and we called upon the great people of these lands to share their bounty with those who are less fortunate. We know that in the hearts of the populace of the Outlands is a magnitude of spirit and generosity which is unsurpassed in the Known World, and Our hearts were filled with pride when that fact was once again made self-evident by the outpouring of toys that were donated at the various Toys for Tots events held throughout the Kingdom. We are well pleased.

We were delighted by the generosity of the people of Gleann Medonach, as they made warm welcome for their King. An excellent feast was had by candle light, and much revelry was shown in that fine hall. The skill and might of the warriors of the Outlands, both heavy and light, in melee and tournament, were made evident on the field.

Her Majesty began the season of joy by celebrating with Their Excellencies of Unser Hafen, Alexander and Mardanah. Truly, We are doubly blessed by both the generosity and companionship of the Gentles of the northern lands of Our Realm, and We look forward to their company once again on the Fields of Estrella.

All the great artisans, warriors, and bards of the fair shire of Windkeep met with Her Majesty in mirth and revelry. Though the wind shouted outside with the cold arrogance of Winter, the Hall inside was full of light and merriment. We are well pleased by the good gentles of the shire of Windkeep.

Art and hospitality both were brilliantly reflected in the warm hearth fire of Caer Galen as We held court in the fashion of the French in 1405. Many heartfelt congratulations to the winners of the day! Also, sincere congratulations and warm welcome to THL Cecily de Heselington, who on that day was made a companion of the Order of the White Scarf.

We would like to thank Their Excellencies Ryan and Tana for their fine welcome provided in the manner and traditions of Hungary, which included a most excellent feast! The great hall was a warm and merry place indeed, and We were most pleased with Our Barony of al-Barran. Let it be known throughout the land that the hospitality and grace of al-Barran is unsurpassed, and the might of the Warriors of al-Barran cannot be questioned!

In the month of January Our travels take us north to the barony of Caerthe. We eagerly look forward to joining the good gentles there in celebrating the cultures of the far east at the Teahouse of the Winter Moon.

We hope to meet you all in good health as we are received by Their Excellencies Roger and Constance in our Barony of the Citadel of the Southern Pass. Furthermore, we call upon you to meet with us on the field on Sunday as we prepare for Estrella!

It is both right and proper that warriors such as those found in the Outlands meet to test themselves against one another, and to train together to meet the foe. The din of battle shall ring throughout the lands as we call all able Outlanders to meet His Majesty for war practice at St. Golias as Her majesty visits Our western most Barony of Fontaine dans Sable.

Treasure these times with family and friends, these times of good food and good drink, for the drumbeat of War hovers on the horizon and when next we feast and revel together it may be in Valhalla!

## Kingdom Seneschal of the Outlands

Happy New Year, Outlanders!

Congratulations and thank you to both Lady Siobhan and THL Ordog Magyar Bela for assuming the Kingdom Waterbearer and Kingdom Hospitaller positions respectively. Their gift of service enriches our realm.

Also, we will be in need of a Kingdom Chronicler in the near future. Please look to Baroness Emma's article in this month's OH for information on how to apply for this position, should you be interested.

I'd also like to thank everyone for their hard work this past year on the Toys for Tots drive. I know that this year in particular was a difficult one, with so many choices for charities to donate to, but your contributions to Toys for Tots help make the Christmas season more joyous for those less fortunate than ourselves. I do not have the final count at this time. As soon as I have that information, I'll make sure to let everyone know.

War is upon us! Remember, fighting and shopping are not the only things you can do! Volunteering is not only *personally* rewarding, but it *also* benefits your Kingdom and your local group. Please contact Lady Slaine to find out more information about security, marshalling, waterbearing and many more exciting opportunities to be found at War!

Every moment is the opportunity to serve!

*Mistress Leah de Montgomerie of Lark Hall*

## Kingdom Minister of the Lists

To the Kingdom of the Outlands, Warm greeting, and hopes for the happiest of new years!

I hope everyone had a safe and happy holiday season, with many good memories to last through the remaining cold months. "Toys for Tots" was the order of business in the past month, and I would like to thank everyone who participated in those great events and toy drives. It is an honor to play in a world where children are treated as the gifts they are.

Now onto new business....I need to create a new roster of local group list officers and their deputies. I would ask each MOL or seneschal to supply me with:

* SCA and legal names
* Local group
* Membership number and expiration
* Anticipated date for stepping down as officer
* Mailing address
* Phone number or email address
* Name of Emergency Deputy
* Phone number of email address for Emergency Deputy
* Name(s) of all other deputies
* Phone number or email address for each deputy

Please provide the roster information no later than January 15, 2006 via email to *mol@outlands.org* or by phone at 505-334-1955. If your local group does not have a list officer, please let me know that as well.

As Ever Yours,

*Lady Mariah Abramsdottir*

# White Stag Principal Herald

Greetings, fellow Outlanders!

I hope everyone is having a lovely change of year. It's Domesday season – and as a present to those holding heraldic office, you do not need to send a separate December report, normally due on January 10th. This is to give you all plenty of time to write thorough Domesdays, which are due by January 15th. Branch heralds who do not turn in Domesdays will be moved to at-large status, and their branches will be listed as having no herald.

All heralds' Domesday reports should include:

-full roster information
-a summary of all your personal heraldic activity for the year
-any comments, questions, or suggestions you have for White Stag

Domesdays for local heralds should include:

-a financial summary of all funds handled in 2004
-a summary of all submissions through your group in 2004
-a list of events held by your group during the year, and what heraldry happened at each
-a list of all awards given to people in your group over the year, and of all awards given in courts held in your group
-full roster information for at-large heralds in your group, and a summary of each of their activities; specify your emergency replacement deputy
-any goals for your office for the next year

Domesdays for kingdom staff should include:

-a financial summary of any funds handled in 2004
-a summary of your office's activities for 2004
-roster information for your emergency replacement deputy
-any goals for your office for the next year

SPOTLIGHT: I said last month that this would come back this month, and I apologize for not including it. Recent real life drama has severely curtailed my time to do paperwork.

LOAR RESULTS: The August 2005 LoAR has been received in paper, but no soft-copy has been received. Details are available at http://www.sca.org/heraldry/loar/

I remain yours in glad service and duty,

*THL Sorcha MacLeod*

## Arts and Sciences Officer

Good Outlanders!

Congratulations to Lord Christopher Blackwood for winning the Queen's Prize in October. It was a wonderful event with tremendous breadth to the types of entries. A good time was had by all. My personal thanks to all those who asked if they could help, and my own Lord Marko, who helped every step of the way.

Soon the WAR will be upon us. The A&S categories are: **Armored Articulated Gauntlets, Metheglin, Single Page with Illumination and Calligraphy.** Further details are contained in the Estrella War Treaty linked on the Outlands web page, or you are welcome to contact me for the full description.

It has been an honor and a privilege to serve our Kingdom as an officer, but other duties call. I invite those interested in serving in this office to send Letters of Intent to me and to Their Majesties.

In Service,
*THL Chiara Grassi*

## Kingdom Hospitaller

From The Kingdom Hospitaller

Well, I'm back. For those whose memory is shorter than eleven years, what I mean is I have held this office before. It is good to be back.

Eleven years ago there were different issues facing this office. Now the issue is bringing in new members and keeping them. I have heard many different ideas on the care and maintenance of our new comers. Many of these ideas are excellent. I would like my office to act as a clearinghouse for these great ideas from the populace.

I know that many of the shires and baronies of this kingdom have created handouts and brochures to help in their membership drives. I would like copies to help me compile one of my own for this office.

I appreciate everyone's efforts in helping new comers feel at home and welcome in our kingdom. Please send me your ideas. Hopefully, soon I will have an Outlands.org email box, until then send any messages to the Hospitaller's office in care of *hospitaller@outlands*.org.

# War Council A & S Representative

Good Day All,

War Points involve a lot more than hitting other people with sticks, poking people with fancy car antennas or flinging sticks through the air. One of the War Points that is available for the more gentle folk to participate in is the Arts and Sciences Competition. It is so important, it gets its own appendix in the treaty, just like fighting. This year the categories for the Arts & Sciences Competition are:

* **Armored Articulated Gauntlets**
* **Metheglin**, (herb-based only)
* **A Single Page with Illumination and Calligraphy**

You can view the descriptions of these categories along with the Rules and Regulations for the Competition at:

*http://www.outlands.org/library/docs/EstrellaWar22Treaty/AppendixA-Arts_meeting.doc*

I would encourage any and all who have experience ant talent in these areas and are coming to War to enter the competition and show the Known World the quality of Outlands Artisans.

I would also ask that any good gentles who are coming to war and would like to judge any of these categories to contact me at *MasterRhys@aol.com*.

I look forward to seeing the Outlands sweep the competition this year.

# Marla Lecin Appointed SCA Webminister

NOVEMBER 28, 2005: Scott Courtney, Chief Technical Officer of the Society for Creative Anachronism Inc., announces the appointment of Marla Lecin, known in the SCA as Mistress Jessa d'Avondale, to the position of Webmaster. In this role, Ms. Lecin will have primary responsibility and authority for publishing and maintaining content and for the visual design of the web site. The Webmaster is a newly-created volunteer position reporting to the Chief Technical Officer.

Formerly, the title of Webmaster was not formally defined, and was more-or-less folded into the office of Chief Technical Officer, with Ms. Lecin serving informally as a deputy to the CTO. This appointment recognizes her contribution with a title appropriate to the work she is already doing, and indeed has done for several years under two different CTOs.

In addition to recognizing and formalizing Ms. Lecin's role, the appointment of Webmaster as a separate office allows the Chief Technical Officer to focus more time on the technical infrastructure of the SCA's servers and on strategic information technology policies and initiatives.

The role of Webmaster is entirely separate from the Society Web Minister, an officer who serves as a deputy to the Society Chronicler. The Society Web Minister is involved in policies for administration of web sites at the kingdom and local level, whereas the Webmaster is in charge of the corporate web site in particular and reports to the Chief Technical Officer, who is in turn a deputy to the Society Seneschal, Mr. George Reed.

In the modern world, Marla Lecin has 14 years of experience as a software engineer and ten years as a free-lance web developer, her current occupation. In the SCA, Mistress Jessa d'Avondale, OP, is a resident of the East Kingdom. She has served as a Chronicler at levels up to Kingdom, as a staff member for the "Tournaments Illuminated" publication at the Society level, and in numerous other offices. She has been a member of the SCA "Webfolks" team almost since its inception, seeing the www.sca.org web pages through several major redesigns as well as countless incremental changes. Many SCA members may also recognize her contributions as webmaster of the Pennsic War web site, www.pennsicwar.org.

## New Kingdom Chronicler Sought

Greetings Fellow Outlanders -

It is with great sadness that I announce the need for a New Kingdom of the Outlands Chronicler. There are two reasons that I find I must step down from this office. The first and primary reason is that I am currently very ill, and I find myself facing a six-month recovery period from this illness. The second reason is that there is a general lack of support from selected groups in the Northern Outlands for me holding this office, especially when it comes to enforcing previously established Chronicler Policies and Procedures. Because of these two reasons, I sadly find myself in a position where I can no longer represent the Kingdom of the Outlands in the best manner possible.

In order to take over this position, you must be familiar with Society Chronicler Policies, Kingdom of the Outlands Chronicler Policies and Society Financial Policies. You must have reliable email, snail mail, and telephone access. You must be familiar with editing, publishing, and mailing requirements. You must have approximately 15 hours a month to devote to the editing, layout and publishing aspect of the OH. Additionally, you must have approximately 6 hours available for the labeling, sorting and mailing of the OH. You must have a financial deputy to complete the quarterly financial reports and keep the books up to date. And finally, you must have the ability to pick up and store two very large file cabinets.

If you are interested in taking over this very exciting and challenging office, please contact me with any specific questions you may have. You should plan on a transition period for this office of 3 to 4 months as it takes awhile to find a printer you can work with, open checking accounts, etc.

Please send all letters of interest to Their Majesties, the Kingdom Seneschal, and to me.

Thanks,
*Baroness Emma of Essex*

## Box Lunch Auctions

This year, some war practices will host boxed lunch auctions. The proceeds from these auctions will go towards the kingdom war effort. You can participate by taking a lunch for two to the war practice, and donating it to the auction, or by bidding on a lunch at the auction. The kind gentle donating the lunch will share it with the winner of the auction once the auction is over. This is a great opportunity for cooks to show off their creativity and skills. Cooks, please place a note of some sort indicating what you brought (i.e., Irish stew, soda bread ...) so that the auctioneer does not have to guess. More information about these auctions will be found in your local newsletter or on the list.

The Board of Directors needs your help! We ask that you write or email the Board giving us your comments regarding any of the nominees on this list with whom you are familiar. While all commentary is more than welcome, we find it especially helpful to read your assessments of the nominee's abilities in areas such as working with diverse groups of people, understanding of varied aspects of the SCA, ability to plan and carry through projects to completion, ability to meet deadlines and keep up with correspondence, and past experiences in either SCA or modern world capacities that would be useful on a nonprofit corporation's Board of Directors. We also strongly encourage you to send us the name and contact information of anyone you feel would make a good candidate for the Board of Directors. All commentary is kept confidential, and new Directors never see the commentary made about them. Please address comments to the Ombudsman for Board Recruiting: Lis Schraer, 3651 Hartford St., St. Louis, MO 63116, or send them via email to *recruiting@sca.org*.
